

Confirmation Saint Selection

Due Date
October 12, 2019

Who will be your protector from Heaven? Who will pray for you when you need help? Who will give you an example of a holy life? **Who will be your Confirmation Saint?**

When we pray to the saints we are not worshipping them, but we are asking them to pray for us and bring our prayers to God. We don't pray *to* them, but ask them to pray *for* us. The Saints are people who have lived a holy life as God intended, and are in heaven enjoying eternal life in the presence of our God and Savior. They are really great at praying.

Choose a saint you can relate to, and someone who is an example to you. There are so many different saints, and they are all different. They lived in different countries and cultures, had different occupations, different personalities, different talents, different challenges and hardships. And they all found different ways to be holy.

What to Do: Each Confirmation Candidate will research and complete **3** different Saint Biographies (see other side). You will then pick **one** of these saints to be your Confirmation Saint.

Please take the time and effort to do a good job with this. Choosing your Confirmation Saint is an important decision. Learn as much as possible about your saint.

Turn in all 3 saint biographies and this form. Due Date is **October 12, 2019**
