

Why Should I Become A Vincentian?

The Society of St. Vincent de Paul exists to provide an environment for the personal spiritual growth and development of its members. This energizing spirituality leads the members to “seek and find the forgotten, the suffering and the deprived so that we might bring God’s love.”

The Society of St. Vincent de Paul provides assistance for individuals and families that live within the parish boundaries of Saint Brigid Catholic Church.

We assist people and families in zip code 30022 and zip code 30076 (east of Hwy. 400).

The Vincentians of Saint Brigid reach out to local families and individuals through home visits in order to develop a trust and understanding of their personal situation and needs

During visits, we share useful information on other local community services and resources which may provide additional assistance.

MATTHEW 25:40 “Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me”

Thanks for your help!

"Thank you for taking the time to come visit with me, listen, and especially help me. I am grateful for SVdP being there when there is just too much to handle."

"Thanks for making it possible for us to remain in our house. It gets hard for me at times. You were our light at the end of the tunnel. The kindness and mercy you extended made us feel so happy."

"I am so thankful that you helped me pay my electric bill and avoid a disconnection. Being a single father raising three daughters is hard. Thanks to you we will have enough money to pay our other bills."

"I had taken my job loss hard and was feeling lost. With your financial help and prayers, you inspired me and gave me the hope I needed, I now have a part-time job and the confidence to move ahead with my life. I thank God for your help in my time of need."

"For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me."

I was hungry I was thirsty I was a stranger

Yet, you cared.
