SAINT BRIGID
Catholic Church

The Fifth Sunday of Easter, Year A
May 9-10, 2020

This Sunday we celebrate Mother's Day. We are invited on this day to make a special effort to honor mothers for all they do for their families and for the many sacrifices they make on behalf of their spouses and children. In addition, we can also thank them for the love they provide in so many ways.

When we think of mothers, we often think of Mary, the mother of Jesus, the spouse of Joseph. May is the month of Mary, and this month we honor her in a special way. As previously mentioned, the Church presents Mary as a model of love in its fullness. The love she had for Jesus and Joseph is not reserved for them alone. It is the same precious love that she has for us, the same precious love she shares with us, an unselfish love that we should not take for granted.

Mary is not only the Mother of Jesus, but also the Mother of our Church. The Second Vatican Council teaches that "...By her motherly love, she cares for her Son's sisters and brothers who still journey the earth surrounded by dangers and difficulties, until they are led into their blessed home." In his great encyclical, "Evangelium Vitae" (The Gospel of Life), Pope John Paul II reminds us that Mary is "...the incomparable model of how life should be welcomed and cared for."

Our Holy Father, Pope Francis also invites us to

look to Mary for inspiration. This need for inspiration is especially important at this time as we continue to strive to cope with the devastating impact of the Covid-19 virus. In an address, as reported in the publication, "For Your Marriage", he stated that Mary "saw many difficult moments" and "like a good mother she is close to us, so that we may never lose courage before the adversities of life" and "might feel her support in facing and overcoming the difficulties of our human and Christian journey."

Pope Francis also noted that Mary provides loving care for us. He stated, "she helps us grow as human beings, and in the faith, to be strong and never to fall into the temptation of being human beings and Christians in a superficial way, but to live responsibly, to strive even higher." As a mother, Mary "teaches us to be, like her, capable of making definitive decisions, definitive choices."

We are challenged to take the profound words of Pope Francis and Pope John Paul II to heart as we honor the Blessed Virgin Mary and all mothers in a special way at this time.

On behalf of our priests, deacons, staff, and parishioners of Saint Brigid, I wish all mothers a happy, healthy, and holy Mother's Day.

Mary, Our Lady of Fatima, intercede for us.

Mary, Our Mother, pray for us.

Fr. Neil Herlihy

Shining her light as a catechetical leader: Jenny Kiehl

*Launch Director & Pre-K-First grade
Coordinator, Catholic Church of St. Ann,
Marietta*

When Jenny Kiehl accepted a part-time position in the religious education department at St. Ann's, she thought it would be a small, temporary role until she found a new job in her career field in her new city. Instead, God enabled her to pour her expertise in curriculum development and organizational leadership into her parish, working together with staff and parishioners to completely re-create their children's ministry. It incorporates teaching strategies, individually-led stations and general passion for the faith into the religious education teachings of the Church. As a presenter at the 2019 Atlanta Catechist Conference, Jenny was able to share her experience and expertise to inspire and guide other parish catechetical leaders to find new ways to bring each child closer to Christ.

UNITED STATES CONFERENCE OF
CATHOLIC BISHOPS

Your Action is Needed! Demand a COVID-19 Vaccine Free from Abortion

There is absolutely no reason why a vaccine for COVID-19 should be connected to abortion. But that is exactly what may happen in the coming months.

Among the dozens of vaccines currently in development, some are being produced using old cell lines that were created from the cells of aborted babies.

There is NO NEED to further exploit the bodies of aborted children.

Other cell lines or processes that do not involve cells from abortions are available! In fact, they are regularly used for producing vaccines and are being used by some drug companies to develop a COVID-19 vaccine.

The U.S. Conference of Catholic Bishops (USCCB) along with leaders of many healthcare, bioethics, and pro-life organizations, is urging the Trump Administration to make sure that vaccines for COVID-19 are developed ethically and are free from any connection to the exploitation of abortion.

Background

The coalition letter expresses strong support for efforts to develop an effective, safe, and widely available vaccine as quickly as possible, but also strongly urges the federal government to “ensure that fundamental moral principles are followed in the development of such vaccines, most importantly, the principle that human life is sacred and should never be exploited.”

Happy Mother's Day!

On this Mother's Day weekend, we pray for our mothers and thank them for their loving service to our families and communities. This prayer is from the Catholic Household Blessings and Prayers, Revised Edition.

Loving God,
as a mother gives life and nourishment
to her children,
so you watch over your Church.
Bless our mother.
Let the example of her faith and love
shine forth.
Grant that we, her family,
may honor her always
with a spirit of profound respect.
Grant this through Christ our Lord.
R/. Amen.

Our Lady of Fatima

Feast Day—May 13

Mary appeared to three peasant children near Fatima, Portugal, six times between May 13 and October 13, 1917, and asked for prayers for world peace and an end to World War I, for sinners, and for the conversion of Russia. She entrusted the children with three secrets, regarding devotion to her Immaculate Heart, a vision of hell, and a "bishop in white" shot by soldiers firing bullets and arrows. Many connect the third secret to the attempted assassination of Blessed Pope John Paul II on May 13, 1981, and the pope thanked Mary for guiding the bullet and saving him.

At the Vatican, Pope Francis has stood before the statue of Our Lady from the Fatima shrine

THE FIFTH SUNDAY OF EASTER

and formally entrusted the world to Mary. "In Lucia's account, the three chosen children found themselves surrounded by God's light as it radiated from Our Lady. She enveloped them in the mantle of Light that God had given her. According to the belief and experience of many pilgrims, if not of all, Fatima is more than anything this mantle of Light that protects us, here as in almost no other place on earth. We need but take refuge under the protection of the Virgin Mary and to ask her, as the *Salve Regina* teaches: 'show unto us... Jesus.'" —Pope Francis, Holy Mass at the Shrine of Our Lady of Fatima, May 13, 2017

“100 Little Hands”, created and produced by Jeremy Paredes and Lowri Andrews, was awarded first place by the Student Television Network (STN) Nationals in the category for Community Feature Story. This video showcases the children of the St. Brigid Day School.

The Paredes Family are active parishioners. You may hear Rob lecturing. They passed on their faith and community service to their tv talented son Jeremy.

Jeremy is a junior at Johns Creek High School. His passions are sports, sports media and filmmaking. One thing he really enjoys about filmmaking is getting to know the people and telling their stories.

“St. Brigid is the church I grew up in and I wanted to make this film as a way to give back to the community.

Interacting with the kids and seeing the world from their eyes showed me how God's love shines through even the

littlest of kids. I had so much fun playing with them that at times, I just put down my camera, stopped filming and had fun playing with them”.

The video can be viewed on the St. Brigid Day School website:

A PRAYER FOR PROTECTION IN TIME OF PANDEMIC

O Mary,
you always brighten our path
as a sign of salvation and of hope.
We entrust ourselves to you, Health of the Sick,
who, at the Cross, took part in Jesus' pain
while remaining steadfast in faith.

O loving Mother,
you know what we need,
and we are confident you will provide for us
as at Cana in Galilee.

Intercede for us with your Son Jesus,
the Divine Physician,
for those who have fallen ill,
for those who are vulnerable,
and for those who have died.

Intercede also for those charged with
protecting the health and safety of others
and for those who are tending to the sick
and seeking a cure.

Help us, O Mother of Divine Love,
to conform to the will of the Father
and to do as we are told by Jesus,
who took upon himself our
sufferings and carried our sorrows,
so as to lead us, through the Cross,
to the glory of the Resurrection. Amen.

*Under thy protection we seek refuge,
O Holy Mother of God.
In our needs, despise not our petitions,
but deliver us always from all dangers,
O glorious and blessed Virgin. Amen.*
