- **When will I know if my child is enrolled in Saint Brigid Day School?** You will receive communication via letter or phone
- call regarding your child's placement by mid-March 2021.
- **What happens if classes are full?** We will notify you that your child was placed on the wait list and we will return your application fee. Once a spot becomes available for your child we will notify you immediately.
- **What happens if I miss the first priority dates and deadlines?** You can pick up an application packet any time after that date throughout the school year. If space is available your child will be placed on a class list immediately or they will be put on a wait list and we will return your application fee.
- **How does the wait list work?** Please indicate on the wait list form your class placement preference (1st, 2nd and 3rd choice). All children are placed on the wait list as equal candidates. We look for the best match for the space available. Our goal is to keep our ratio and classes balanced equally. When an opening occurs we consider many factors, including date of birth, date placed on wait list, male/female, siblings, and church membership.
- **Optional Three-Day Program?** This class offers flexibility in the selection of days preferred. You may choose a combination of two, three, four or five days. We will try to accommodate your first preference, but must consider the balance of the class ratios. The assigned days must remain consistent throughout the year. We will only be able to adjust days based on availability.
- **Can I be placed on a class list for my second choice and be on the wait list for my first choice?** No. Once your child is placed on a list your child is no longer eligible for the wait list. The wait list is for students who are not placed in a class. Once a class is established we believe consistency for the children and the teachers is important.
- **What happens if I change my mind on my class choice?** Ex. Patty is placed in our four-day PreK 4/5 upon initial enrollment and in June her parents would like to move her to our five-day PreK 4/5 class. If a spot is available and the ratios are balanced, we will be able to honor your request.
- **What are my chances of enrolling my child if I am placed on the wait list?** We continue to monitor the wait list throughout the year as openings occur. If your child is next on the list we will call you with that opportunity.
- **How will I know if there is an opening?** We will contact you immediately by phone when an opening occurs.
- **Young 5's have the option of repeating at the parent's discretion.**
