Saint Brigid Catholic Church Food Pantry Needs

The SVDP Food Pantry provides much needed assistance for those in and around our parish community. Due to the current pandemic, donations to the pantry are at a low level and requests for help by SVDP clients are on the increase. Please prayerfully consider donating to the SVDP pantry. Below is a list of both food and non-food items currently needed by the parish pantry. Items can be placed in the SVDP drop box inside the church, located just outside of the parish office.

Please **NO LARGE CANS** and only **NON-PERISHABLE, NON-EXPIRED DATED** items!

The following list contains items that are currently requested.

Thank you for your support of those in need.

For additional information please contact Brian Bimonte at mifla@bellsouth.net.
