Parish Vision Statement

Saint Brigid Catholic Church, with Jesus Christ as its foundation, continually strives in all parish activity, to praise the Father, in the Son, through the Spirit; and to proclaim and share the Good News of Jesus Christ within our community and beyond, through our liturgies and ministries.

Parish Mission Statement

Saint Brigid Catholic Church commits, by the grace of our Lord, to be a people of God, who in a welcoming environment, enthusiastically gather in worship and prayer to become more Christ-centered in our lives and actions, while teaching and treasuring the traditions of the Catholic Church.

The Parish Patron Saint

Saint Brigid lived in Ireland in the 5th century; a holy woman, granted by the grace of God, great gifts of spiritual leadership, devotion in prayer, patience and compassion. Brigid is probably the best-known Irish saint since Saint Patrick, the patron saint of Ireland. She was born in County Kildare around the year 457. It is widely believed that her parents belonged to noble families, and it is generally accepted that her father, Dubtach, was a Christian.

Refusing many offers of marriage, Brigid became a nun and received the veil from Saint Macaille, the abbot and bishop of Longford. With seven more women she founded the Convent of Cill-Dara, the Church of the Oak. Saint Brigid's small convent quickly became known as a great center of religion and learning. Today a major city Kildare stands on that same location. Saint Brigid also founded several monastic institutions and schools, which explains why she has always been regarded as a patroness of students.

Saint Brigid traveled extensively throughout Ireland, carrying on the great work begun by Saint Patrick, but there is no real evidence to suggest that they ever met. Brigid was one of the most remarkable women of her times, and despite the numerous legendary, extravagant, and even fantastic miracles attributed to her, there is no doubt that her extra-ordinary spirituality, boundless charity, and compassion for those in distress were real. The best-known story about Brigid is of her visit to a dying pagan chieftain, who after days of semi-consciousness, awoke to find Saint Brigid's Christian Cross on his chest and Saint Brigid praying beside him. Thankful to God's graces for saving him, soon afterward he converted and was baptized by Saint Brigid, along with his entire village.

February 1st is Saint Brigid's feast day, and it is still customary to obtain a cross at that time, in the hope of receiving the saint's blessing. The phrase, the "Queen of the South: the Mary of the Gaels," in other words, "Brigid and Mary Be With You," has been applied to her, not just in Ireland, but worldwide, for she has been honored and respected all over the world.

What is God Calling You to Do?

In Luke 10:17-24 we read how Jesus had sent out 72 of his followers to preach, teach and heal, and they returned with glowing reports of success. Jesus had entrusted these relatively unknown men and women, each one with different gifts and talents, with the same work of the kingdom that he had given to the 12 apostles.

Jesus did not want to limit the work of the gospel to just a chosen few. He has confidence in each one of us. We are all called, empowered, and expected to bring others to him. So none of us should feel inadequate or too fearful. All we have to remember is that it is not so much what we do, but what we allow the Spirit to do through us.

Sharing our gifts of time and talent is one way of giving thanks to God for the blessings He has bestowed on us. What is God calling you to do?

THE SACRAMENTAL LIFE OF THE CHURCH

The seven sacraments instituted by Christ are received in the Catholic Church. When we begin life, Baptism unites us with the risen Lord and our fellow Christians. Confirmation gives us the strength of the Holy Spirit to live a life of faithfulness to Christ and the Church. The Eucharist is the summit of Christian worship and is a sacred meal that re-enacts the Lord's sacrifice on the cross for our salvation. When we are guilty of sin and in need of forgiveness and reconciliation, we receive the Lord's forgiveness in the sacrament of Reconciliation. In times of serious illness, the Anointing of the Sick gives us God's mercy, forgiveness, courage, and hope. The sacrament of Matrimony is an ongoing sign of God's love as it appears in the union of a couple who are committed to loving each other until death. Those who are called to serve God's people as priests or deacons are supported through the sacrament of Holy Orders.

Reconciliation

Monday 7:00 am - 8:00 am/Bride's Room; Wednesday 6:00 pm - 7:00 pm/Nave;
Friday 7:00 am - 8:00 am/Bride's Room; Saturday 9:30 am - 10:30 am/Nave, or by appointment.

Anointing of the Sick

This sacrament brings the support and encouragement of the Church to a person seriously impaired by illness or old age. Catholics not in imminent danger of death who wish to receive the sacrament due to anticipated surgery or serious illness should call the Parish Office to arrange to be anointed. For all emergencies, call the Parish Office, 24/7, and follow the voice mail system's directions for emergencies.

First Holy Communion/Confirmation

Traditionally, the sacraments of First Holy Communion and First Reconciliation are received during 2nd grade. Confirmation is traditionally received in the 10th grade in the Archdiocese of Atlanta. There are programs for Catholics who have not received these sacraments at the traditional ages. Refer to the "Religious Education" section of this publication for more information.

Baptism

Baptisms should be scheduled with a priest or deacon at least one month in advance of the anticipated sacrament. In preparation, parental participation in the Baptismal class is required. It is held the 3rd Sunday of each month at 3:15 pm. Call the parish receptionist to register. Catholics traditionally are baptized in the church or chapel as infants.

Marriage

At least six months before the anticipated wedding date, prospective brides and grooms should contact a priest or deacon of the parish. The clergy member will then outline the steps required to reserve a date and time for the wedding ceremony.

Holy Orders

Holy Orders is the sacrament through which the mission entrusted by Christ to his apostles continues to be exercised in the Church until the end of time. Thus it is the sacrament of apostolic ministry. It includes three degrees: episcopate, presbyterate, and diaconate. For vocation information, contact a member of the parish clergy.

Rite of Christian Initiation

Non-Catholics who wish to become Catholic may receive the Sacraments of Initiation (Baptism, Confirmation and the Eucharist) through the RCIA Program. Refer to the "Religious Education" section of this publication.

ADMINISTRATIVE MINISTRIES

◆ Parish Office Volunteers

An active list of volunteers is compiled of those people who are available on a regular basis to assist in parish-wide mailings, data entry, and various basic office duties. No meetings or training required. Parish Offices rely on the generous gift of time and talent from their parishioners to accomplish tasks that would otherwise necessitate the expense of outsourcing.

DAY SCHOOL

◆ Day School

Saint Brigid Day School is open to children ages two to five. If you have a child between the ages of 2 and 5 we would love your family to be part of this thriving young community. You will find many ways to participate in our preschool. However, if you do not have a young child that attends our school you can volunteer. We always need volunteers. What is your talent? Maybe you would like to help us file, sort, or organize materials. How could you share your talents with our preschool children? Our preschool recognizes that each child is a gift from God. Guided by the educational mission and doctrinal teachings of the Catholic Church, we seek to nurture the whole child in the image of Christ: spiritual, cognitive, physical, emotional and social. Mindful that each child possesses their own unique blend of God-given strengths, needs, learning styles and interests, we focus on developmentally appropriate experiences that promote creativity, critical thinking and curiosity. The quality of a child's early educational experience is crucial in forming confident and competent learners in a nurturing Christian environment where children come to know, love, and serve God.

◆ Caring Connection

Our mission is to offer care and support to parish families during times of unexpected challenges. The Caring Connection ministry provides an opportunity for our faith community to provide assistance to fellow parishioners to ease them through difficult situations. Caring Connections volunteers can be called upon to provide short-term assistance with meals and other ancillary needs following a surgery, accident, or other difficult circumstance. **Time: Volunteers are not required to help as every need arises, but rather when they can. Many hands make for light work!**

- ◇ **Caring Connection Meals:** Often the most needed types of support for parishioners experiencing an unexpected challenge is for help with daily meals. ◆ Natural Family Planning

Natural family planning is taught in a three-month series by a Certified Couple to Couple League Teaching Couple. The method taught, the Sympto-Thermal Method, is safe and highly effective. Its philosophy is in full cooperation with the Church's teaching on contraception. Also check out <https://ccli.org/> for more information about NFP and The Sympto-Thermal Method.

◆ Prayer Quilt Ministry

We offer comfort through prayer to those experiencing illness, serious surgery and other infirmities through our prayer quilts.

◆ **Sewers and Prayer Warriors:** The prayer quilts are made of three layers (top, batting and bottom) that we tie together with Perle cotton floss. Each individual tie represents a prayer said for the recipient. The quilts are labeled, "Stitched with love and tied with prayer for ...the recipient's name...from the Prayer Quilt Ministry of Saint Brigid Catholic Church".

- ◇ **Individual Roles:** We are an informal group and we'd love to have you join us. We meet twice a month at our co-chairs' homes. Each member of the ministry contributes to the quilt making process according to their ability. Tasks include cutting fabric, machine sewing fabric pieces together, ironing, layering, tying and binding of the quilts. Whatever is not finished at the meetings can be taken home for completion or done at the next meeting. Simple straight stitch machines are used and minimal sewing experience is required.
- ◇ **Finding Recipients:** We welcome any parishioner to request a Prayer Quilt for someone in need of one whom will accept prayers being said for them. Those who have received our quilts express how much comfort they feel knowing that others are remembering them in prayer.
- ◇ **Fundraising Roles:** We are a self-sustaining ministry. Therefore we do spend some time making a variety of items to sell at Saint Brigid church fairs in order to purchase sewing supplies and batting. Our ministry always needs ideas for what to make that might appeal to buyers.

◆ **Sponsor Couples—Marriage Prep**

Sponsor Couple Program is a parish-based ministry that enables an engaged couple to share and learn from the day-to-day experiences of a married couple who are members of their parish. As part of a couple-to-couple approach to marriage preparation, the sponsor couple encourages and supports the engaged couple in much the same way as sponsors for Baptism and Confirmation. ***Time: The Archdiocese offers training for Sponsor Couples a couple times a year. The engaged couple meets with the sponsor couple five times in the sponsor couple's home. They use a book entitled For Better and Forever.***
