

Empowering God's Children® Safe Environment Program

Parent Information & Permission Form

March 1, 2022

Dear Parents and Guardians,

In an effort to assist in the monumental mission of protecting children, the Archdiocese of Atlanta is partnering with you to present a safe environment lesson to your child. It is our cherished role as adults to fully protect children. In addition, we must also teach children/youth about their safety rights and boundaries, so that they have tools to protect themselves. What follows is information about the program itself and the resources available to you. **PLEASE NOTE: There are required action items with content you need to return.**

Empowering God's Children Program Information:

A program for children, each lesson includes a grade-appropriate video component along with learning activities. The material is designed to better equip your child to know their safety rights, recognize their boundaries, and to empower them to protect themselves when safe adults are not immediately available—and ultimately be safer from people who might want to harm them.

Following the lesson, we encourage you to reinforce the message at home whenever possible. The link below will provide more information regarding the training and material.
