

Calling all Saint Brigid women to spend an evening focusing on Christ during the busy holiday season. Through prayer, music, fellowship and a meaningful Advent message, Christ will shine as the Savior.

Table hostesses will bring together eight friends in Corbett Hall, around their table, and provide a beautifully decorated table, and a light meal and beverages. While hostesses enjoy creating a beautiful ambiance, remember that the power is in the message of Christ during Advent.

The Advent message for the women in our parish this year is about women in Scripture. How can the example of strong women in Scripture help us, not only this Advent, but always, to be the faithful women God is calling us to be?
