

2023 Operation Orphan

Mustard Seed
Communities
CARING FOR THE MOST VULNERABLE

From **January 28-9 and February 4-5 and ONLINE**, we invite you to join our effort to provide the children & young adults of the Mustard Seed communities with the everyday items they desperately need!

The children of Mustard Seed Communities Nicaragua need your help now more than ever due to our inability to minister to our dear friends in person. There are two ways you can contribute to the Mustard Seed Nicaragua Operation Orphan this year.

You can visit

www.operationorphan.givesmart.com

to see their wish list and choose an item you would like to fund.

Or, you can visit our display outside Corbett Hall to choose an item and fulfill the wish online.

Even though the Mustard Seed Ministry cannot physically bring donated items to Nicaragua this year due to COVID restrictions, you can still make an incredible difference with your generosity. We look forward to your contribution in bringing the Mustard Seed Community joy through this mission.
