Walking With Purpose: Touching the Divine

Touching the Divine focuses on the many qualities of Jesus as revealed through the Gospel of John. This study draws us into a deeper, loving relationship with Jesus. John teaches us how much Jesus loves us and how His love is the true satisfaction of our souls. Knowing Christ intimately will touch your heart & fill you with hope!

Passionate Discipleship and Rooted and Radiant

Passionate Discipleship focuses on equipping women to know Christ and to make Him known. We will study 2 Timothy verse by verse in Paul's last letter to his beloved friend and mentee Timothy.

Rooted and Radiant dives into understanding who Jesus is and learn how to abide in His wisdom to navigate the ever-increasing demands and messages of our culture and how to continually set our minds on Him.
