

**SPECIAL ADVENT  
RECONCILIATION  
SCHEDULE AT  
SAINT BRIGID  
AND NEIGHBORING  
PARISHES**

Especially during Advent we are called to recognize our sins and seek out the grace of Reconciliation. Embracing repentance in this holy season is the best way to prepare for the coming of Christ in your life. There will not be a penance service at Saint Brigid but we have added morning and afternoon Confession times for your convenience. Also posted is the schedule for our local parishes.

“Catholics should not be afraid to bear their sins before God whose mercy is a model for the church's ministers”, Pope Francis said during a Lenten penance service March 8th. "Put this in your mind and heart: God never tires of forgiving.”

Pope Francis asked people during his homily to "look at your sins, look at the bad things you have said and done." Being overly caught up in work can cause people to "forget the true path we are walking in the new life," he said.
